CROSS BORDER & MIRROR PROGRAMMING

Funded by European Union

- Importance of the Policy level
- Complexity in cross-border programming
- Role of Local administration
- Adaptive programming
- Use of technology

PROGRAMME INTEGRATION & COLLECTIVE APPROACH

BORESHA

Funded by

BORESHA Project Monitoring Unit

Natural Resource Management ⇔ Disaster Risk Reduction ⇔ Business Development & Livelihoods

CARE	World Vision	DRC & WYG
Shared Natural Resources are more equitably and sustainably managed	• Communities are more resilient and better prepared for shocks	• Individual and Communities are more self reliant through increased skills and opportunities

Technical Programming

- Partner Integration
- Community Integration
- Decision making
- Joint Review
- Activity Coordination

Operational Programming

- Planning
- Budgeting
- Security
- Joint Reviews

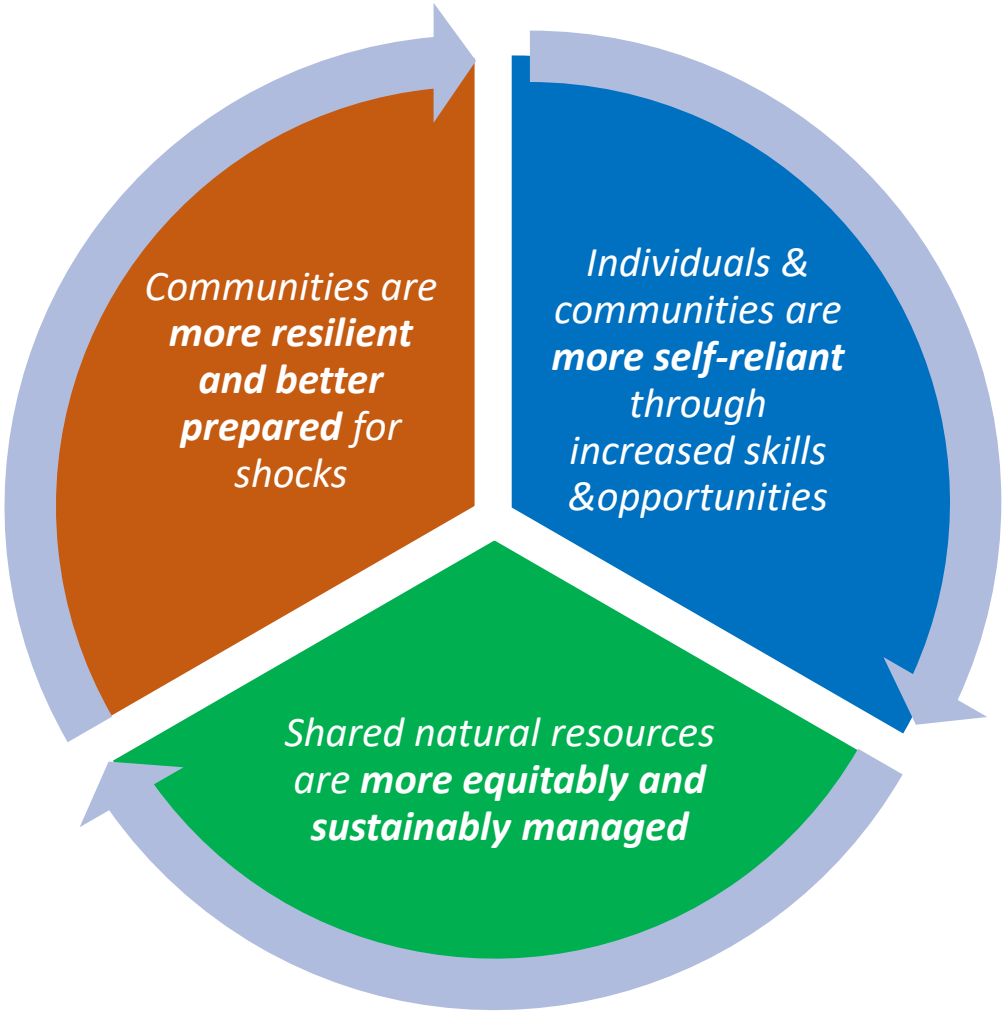
MEAL

- Joint Monitoring
- Joint Leaning
- Stakeholder feedback
- Intergrated Reporting

Stakeholder & Regional

- Community partners
- County partners
- Country Partners
- Demographic profiles
- County Sectors

PROGRAMME INTEGRATION & COLLECTIVE APPROACH



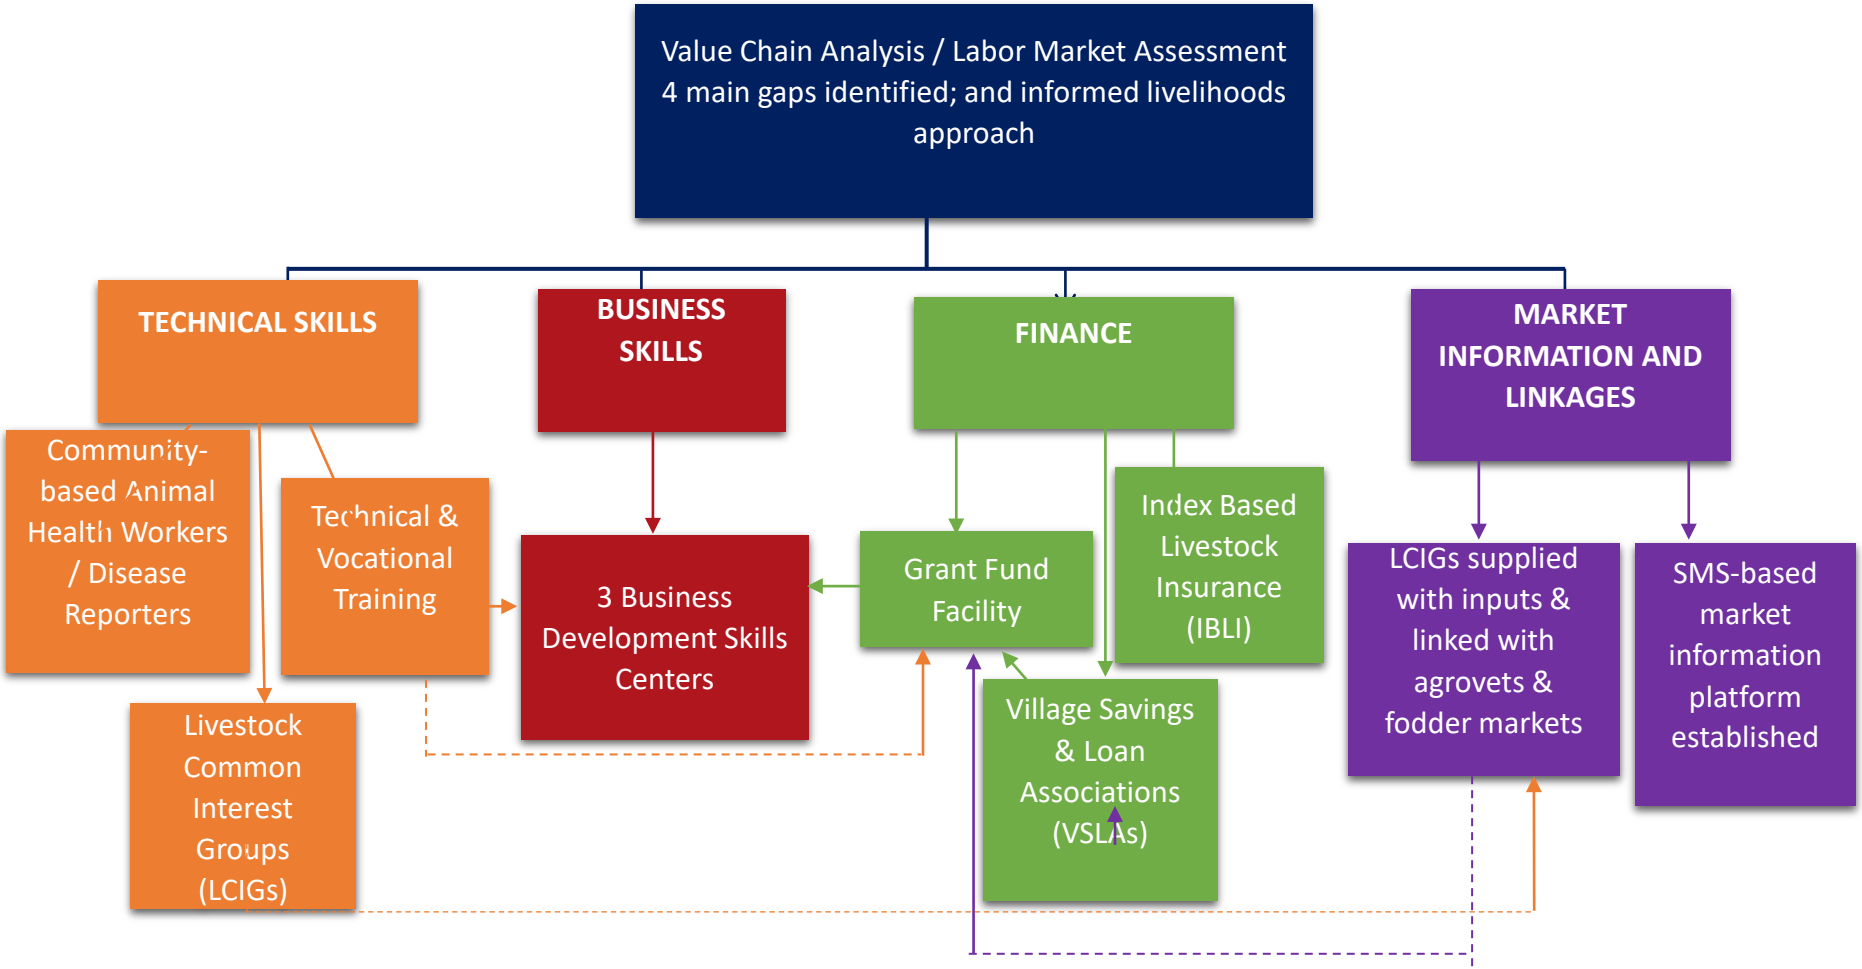
- Integration should also be part of the design, planning and ToC.
- Key roles of the project management unit (PMU) and similar structures
- Capacity to tackle an issue with multiple perspective and multiple actions bring out sustainable solutions

Funded by European Union

LIVELIHOODS APPROACH AS EXAMPLE OF INTEGRATION

BORESHA

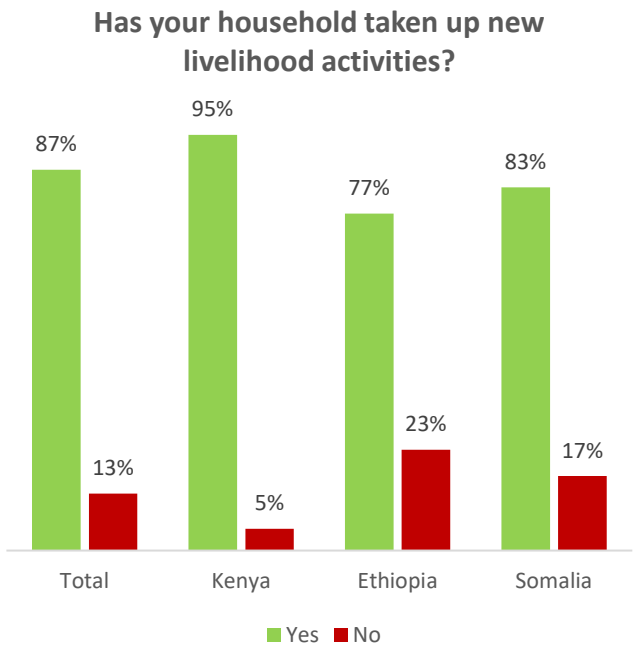
Funded by European Union

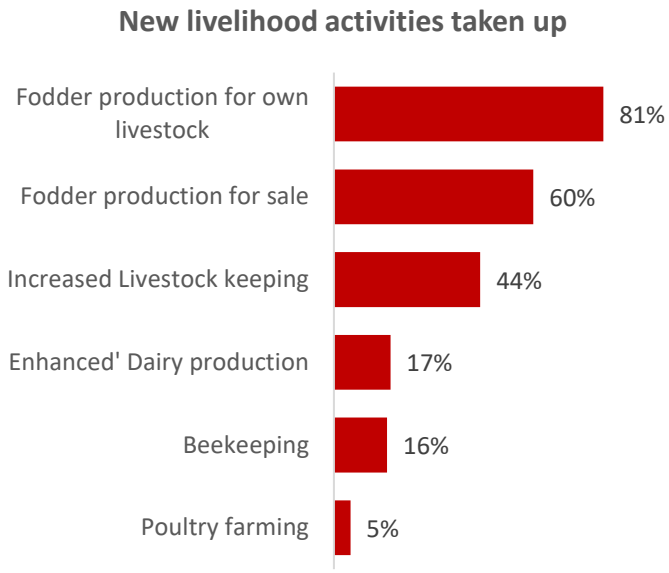


Increase in Number of Livelihood resources being used by the Households

BORESHA

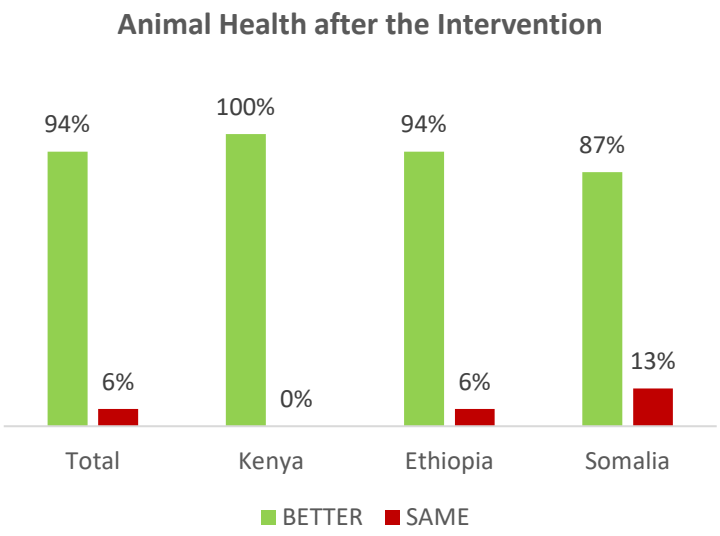
Funded by European Union





Proportion of Individuals Describing Better Health and Lower Attrition Amongst their Herds

Funded by European Union



WHY BETTER?

- Vaccination and treatment programmes were effective and key tool in maintaining animal health
- Significant reduction of animal deaths
- Higher chances of survival for younger animals
- Acquisition of practical experience gained by households in management of livestock diseases
- Improved livestock production
- Overall reduction of common animal diseases in the areas

TVET training: skills utilization and benefit

Funded by European Union

BENEFITS OF TRAINING	
	Total
